NOTE: **X** designates the cohort year and grade for content areas. Cohort year, is the year student scores are used in AYP and /or QPA calculations. Students must have completed all assessments by the close of the spring window for the content area(s) designated with an "X".

Important KAA Note: Advanced planning concerning which assessments a student must complete by the end of the cohort year enables the KAA assessments to be spread throughout the 9th, 10th, 11th and 12 grade years.

Caution: Grade reclassification can impact inclusion in or exclusion from a cohort group.
