Education and Training: Teaching/Training

This Career Pathway Plan of Study (based on the Teaching/Training Pathway of the Education and Training Career Cluster) can serve as a guide as learners continue on a career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner's educational and career goals. *This Plan of Study, used for learners at an educational institution, should be customized with course titles and appropriate high school graduation requirements as well as college entrance requirements. To complete the Kansas Board of Regents Qualified Admission requirements: Natural Science, 3 units including Biology, Advance Biology, Earth/Space Science, Chemistry or Physics(**At least one unit must be Chemistry or Physics); English, 4 units, not including speech, journalism, drama/theater, and/or debate; Mathematics, 3 units, including Algebra I, Algebra II, and Geometry; Social Science. 3 units, including one unit of U. S. History, one-half unit of U.S. Government, one unit from psychology, economics, civics, history, current social issues, sociology, anthropology, race & ethnic relations, and one-half unit from world history, world geography or international relations; Computer Technology, 1 unit or pass proficiency exam.
