8:15 a.m. – 9:00 a.m. Continental breakfast and registration
9:00 a.m. – 12:00 noon Meeting

Dear Superintendent, Principal, and Driver Education Instructor,

Seven regional Driver Education meetings have not yet been set for the 2013-2014 school year. However, please keep checking for updates. One of the meetings will be available at the State KDSEA conference held in March. However, attending the regional meeting held in Salina will cost the State Conference fee. Cost for the State meeting in March is dictated by KDSEA. What is KDSEA? It is the State Professional Organization for Driver Education instructors and advocates. (Kansas Driver Safety Education Association) Instructors are encouraged to be affiliated with this organization in order to promote and maintain high standards in the Driver Education field, as well as, keep informed of best practices, compliance, and legal issues. In the future, a State lobbyist for our best interest will be funded through these membership dues.

Schools should send personnel responsible for overseeing the DE 99 process, the reimbursement process, and course instruction. New driving laws have been passed by legislature. On-line endorsement is now available. We will review procedures for a lost cert. of comp., printing mistakes in the Handbook, auditing dos and don'ts, state reimbursement information, and, as always, information concerning legislation. We will review the GDL law which went into effect Jan. 1, 2010. Attend to keep current and receive the latest information necessary to offer a state recognized driver education course. Reimbursement is available and on the rise.

Registration begins at **8:15 a.m**. A continental breakfast will be provided. Cost to attend all regional meetings, **except Salina**, will be **$8.00**. Regional **meeting starts** promptly at **9:00 a.m.** If paying by check, make checks payable to the KS State Department of Education. If you would like to pre-register, please send payment to:
