Council members are appointed for a term of three years, beginning July 1 of their first year and ending June 30 of their third year. The Executive Committee (page 11) will assign a Council member to serve as a first year mentor for each new Council appointee. As noted in Kansas Statute, members of the State Advisory Council for special education who attend meetings of the council, or attend a subcommittee meeting thereof authorized by the state board, shall be paid subsistence allowances, mileage and other expenses as provided in K.S.A. 75-3223, (see page 25) and amendments thereto.

Council Leadership

At the SEAC's last meeting of the year, nominees for the positions of chairperson and vice-chairperson will be solicited. At the Council's first meeting of the following year, the Council will elect a chairperson and vice-chairperson. The office of secretary will be filled by the person in the Kansas State Department of Education designated by the Board as the Team Leader for Special Education Services.

The Executive Committee shall be comprised of five members. The Executive Committee shall include the Council Chairperson, Vice-Chairperson, Secretary, and two additional members appointed from the Council membership. At least one member of the Executive Committee will be a parent of a child with a disability. Responsibilities of the Executive Committee shall include, but are not limited to, the following:

- Meet/consult at least one time prior to each SEAC meeting to preview proposed agenda items and set forth recommendations for Council consideration.
- Provide a report (written or verbal) to the membership at each Council meeting.
- Coordinate and assign members to serve on ad-hoc committees as needed.

Membership Tenure

Membership shall consist of not more than 21 members. Membership appointment on the Kansas Special Education Advisory Council shall be for a term of three years. No members may serve more than two consecutive terms. Acceptance by an individual to the Council appointment indicates a commitment of the individual to actively participate in Council meetings and duties. Should a member miss three meetings in a given year, the Executive Committee may recommend a replacement to the Kansas State Board of Education for the position represented by the inactive member and notify the inactive member of the termination of their appointment. Failure of the appointed member to personally attend a scheduled meeting will result in a recorded absence.

In unexpected circumstances, events may occur during a three-year membership term prohibiting the appointed member from fulfilling his/her responsibilities and/or disqualifying the member from representing the assigned constituency. Should this situation occur, the Executive Committee may recommend to the State Board the removal of the appointee. Subsequently, a replacement for the position will be recommended for State Board approval. An individual appointed to replace a Council member who has resigned or been removed, will be appointed for the completion of the term vacated by the replaced member. This partial fulfillment of a previous member's term is not considered one of the two possible consecutive terms a member may serve. Upon completion of the partial term, and with recommendation of the Executive Committee, the State Board may reappoint the individual for a full three-year term of membership.
