Search for Kansas Statutes by subject or by statute number from the KSDE website.

To access the KSDE **Office of General Council home page**, go online to the main KSDE website: www.ksde.org (illustrated above). Select **Commissioner of Education** from the blue column (left) and on the right, under **Office of General Council**, select **Laws and Regulations**.

Select **Education Legislation**, and statutes can be easily searched alphabetically by keyword.

Kansas regulations can be sorted in numerical order (by regulation number) or by topic (alphabetically) by selecting **Education Regulations**.
