

WHAT WE DO

## Our Mission

KSSB is a catalyst and leader in the development of exemplary programs and practices in vision services in Kansas. We build local capacity throughout the state via strategic partnerships to ensure learners with visual impairments are able to assume responsible roles in society and lead fulfilling lives.

- create places to learn and work
- engage all to achieve high expectations
- embed the Expanded Core Curriculum into all programs
- be a leader in the use of technology
- provide equity of access
- openly communicate with our community

**The right help, at  
the right time, in  
the right location for  
students with visual  
impairments.**
