

HIGH ENROLLMENT WEIGHTING THRESHOLD (FTE) (KSA 72-5149)

The Kansas School Equity and Enhancement Act (KSEEA), as enacted, includes a high enrollment weighting. The weighting is available to school districts with Full Time Equivalency (FTE) enrollment greater than or equal to 1,622 and is calculated by multiplying an eligible district's FTE enrollment by a weighting factor of 0.03504. No amendments have been made to the high enrollment weighting since enactment of the KSEEA.
