POLL RESPONSES:

- 08:04:40 Remote Learning Logs!
- 08:04:43 Meeting the needs of students and staff
- 08:04:45 What are you the most concerned about (personally) for the 20-21 school year?
- 08:04:46 safety of kids and teachers
- 08:04:48 Consistent safety measures in the districts
- 08:04:49 Meeting the needs of students
- 08:04:53 Multiple staff requesting to work from home. A legal process that there is no case law for. Hard to navigate these decisions.
- 08:04:56 staff stress
- 08:04:56 Ensuring progress for our special education students while balancing the health needs of all.
- 08:04:57 Making SPED work when giving parents many options. Also providing quality services if we all go full remote again.
- 08:04:57 Students or staff getting seriously ill
- 08:04:59 Safety of students and teachers.
- 08:05:00 Meeting the educational needs of our kids in a constantly changing environment.
- 08:05:00 Health and safety
- 08:05:00 Helping staff manage onsite and remote services
- 08:05:01 The honest reality of having large groups of people together and staff not feeling safe. Legal issues.
- 08:05:04 Meeting needs of students while they are remote
- 08:05:05 Keeping our staff positive as they have so many new things on their plate.
- 08:05:06 Overwhelmed staff

08:05:10 Mental Health of students, staff, parents and trying to meet the needs

08:05:10 Meeting the needs of students and having the staff to do so

08:05:17 How to lead staff across all districts when we are all at different learning environments, especially related services.

08:05:20 Managing the stress of staff and balancing my own

08:05:23 Safety - our district voted for students to not wear masks. I now have resignations from a few staff.

08:05:25 multiple learning models and impact on students with disabilities and staff managing instruction

08:05:28 Keeping everyone safe and healthy as well as providing good instruction to student's whose families choose to keep them home and participate virtually or via home school.

08:05:44 Staff health and ability to serve students.

08:05:44 Making sure students get the services they need.

08:06:33 I am using it but the district is not

#### Questions asked on MIS and SPEDPro Data Reporting Reminders

08:11:39 Mason, For S. Last Spring, I thought we were not to upload them into Sped pro if they were new entering or Part C to B transitions until FY21. I understand there is a change to this and I want to verify. Will this cause verifications? And How to handle them...

08:12:02 That is after the closures..

08:15:57 S=students. How to handle verifications?

08:16:33 Ok. Continuing

#### Questions asked about TASN-Kansas Instructional Resource Center for the Visually Impaired

09:16:18 Toni, Will director's get the notice when the superintendents get the info  
tharrell@kssdb.org

09:16:23 Let us know when the Supts are notified please.... Things slip thru sometimes.

09:17:56 From Toni Harrell : I will ask KSDE to send a notice out on relevant listservs regarding the APH registration period.
