To what degree are these learning experiences providing you the support you need to stay on track as a successful redesign school?

I will use the content or implement the practice(s) from this training.

4 Principles.

STUDENT SUCCESS SKILLS

There is an integrated approach to develop student social-emotional learning.

FAMILY, BUSINESS AND COMMUNITY PARTNERSHIPS

Partnerships are based on mutually beneficial relationships and collaboration.

PERSONALIZED LEARNING

Personalized learning places the whole child at the center of instruction. It is informed by strong educator/student/family/community relationships to provide equity and choice in time, place, path, pace and demonstration of learning.

REAL-WORLD APPLICATIONS

Project-based learning, internships and civic engagement makes learning relevant.
