Introduction

This “deconstructed” HGSS rubric is the product of a team of KSDE staff who came together to create a simplified, learner-centered, four-point rubric. The included content exemplars have been created to provide possible assessment models.

For the 2021-2022 school year, the HGSS Assessment will be a **required field test** to be conducted by all districts in Kansas. Beginning with the 2022-2023 school year, the HGSS Assessment will be **required to be conducted each year** by all districts in Kansas.

The Alternate Kansas History, Government and Social Studies (HGSS) Assessment has three parts for you to complete:

1. Recognize and evaluate.
2. Analyze and draw conclusions.
3. Investigate and connect.

The rubric will help you as you plan your project around your compelling question.

Making a **Claim/Thesis**

- A **claim/thesis** using facts, information, logic and language that is open to challenge and other ideas.

Supporting the **Claim/Thesis** with **Evidence**

- Important and factual evidence that support the claim/thesis with references in the product or presentation to multiple credible sources.

Explain the **Reasoning** Regarding the **Claim**

- Relevant and accurate **reasoning** that considers the topic from multiple points of view and/or counter arguments.
