Suicide – Cluster Update, State Support, 988

Monica Kurz and Shanna Bigler

- Shanna Bigler spoke of the recent suicide clustering and working closely with Monica Kurz and John Calvert
- Monica Kurz, Kansas Suicide Prevention Headquarters (KSPHQ) –
 - Presented new data from Kansas Department of Health and Environment (KDHE) and suicide best practices to help support students and school districts
 - KDHE infographics shared that showed analysis of data from 2015-2018
 - Data is provided from the violent death reporting system in Kansas
 - Suicide has increased by 70% between 2015 and 2018
 - Breakups are contributing along with family relationship problems and school problems

Kansas leads the world in the success of each student.

- KDHE report on Kansas Emergency Department data looking at three separate seasons
- Girls were 3 times more likely to be in the emergency department for a suicide attempt over the last 18 months of the pandemic when compared to their male peers
- A Postvention Plan are those activities that a school district or community does following a death or suicide attempt
- Does your school and/or community have comprehensive postvention plans in place?
- The goal is to support loss survivors and get out accurate information to the community
- Community Stakeholders need to be involved with the school district to develop a postvention plan
 - Varying level of detail in crisis plans
 - Is your plan district centered or do you have community involvement in the plan – what are others in the community seeing and coordinating a response
- Resource listed for the Kansas Suicide Prevention, Response and Postvention Toolkit:
 - <https://www.ksde.org/Agency/Division-of-Learning-Services/Student-Staff-Training/Prevention-and-Responsive-Culture/Suicide-Awareness-and-Prevention/Kansas-Suicide-Prevention-Response-and-Postvention-Toolkit>
 - Youth Suicide Infographic

- Questions:
 - What is the impact of social media – recommendations that we can give? Current information is not straightforward. The Trevor Project, mental health survey for LGBTQA showed mixed results. social media impacts to all areas. We have to help youth navigate social media.
 - KSDE staff are working on a Suicide Prevention program with a small cohort regional meeting to identify common themes such as student led programming.
 - These websites provide resources for parents to speak with their children about social media:
 - <https://www.common sense media.org/social-media>
 - <https://kidshealth.org/en/parents/social-media-smarts.html>
 - Positive side of social media - there are student led campaigns that can help lead students in a positive light.
 - When students speak up with positive leadership students will

listen. www.ksde.org/Kansas-Safe-Schools

- Adult mental health is suffering and we have to be a model for our students. We need to be mindful how our negative comments affect others.
 - Rural suicide issue in southwest Kansas where five communities were impacted by 5 suicides including adults. Because these communities are so small, a suicide at one school impacts all schools.
 - How are large districts tackling these issues – John Calvert and Diane are helping with developing crisis plans.
 - Jim Greene, KSDE, has been creating table top exercises for school districts. John Calvert and Jim Greene are available to assist districts with this area.
- **ACTION:**
- Future agenda item on student led groups and focus on positive social media and dealing with negative social media
 - Future agenda item in Postvention, Adult mental health for teachers especially

Educator Preparation Program Report

Catherine Chmidling, TLA report handout

- Program Standards and accreditation standards were reviewed for all of the teacher preparation programs on bullying prevention, suicide prevention
- Shanna PowerPoint to education deans. **Educator Preparation Training Topics (need from Shanna)**
 - Resources available on mental health topics
- Questions:
 - Do the institutions provide specific evidence that specific laws are covered? The institutions provide in their accreditation evidence of meeting each standard component. They have to demonstrate that the student comprehends and can demonstrate assessment of that standard. Any relevant laws would be addressed in the assessment as well.

ESI Annual and Trend Reports

Shanna Bigler – Report of Emergency Safety Data for the 2020-21 School Year handout

- This report will be included in the Commissioners report to the Kansas State Board of Education in November.
- This is an annual report and sent to the Kansas House and Senate education committees as well as the Kansas State Board of Education to report on Emergency and Safety Interventions – Restraint and Seclusion
 - Included are required report topics, data analysis, targeted technical assistance, descriptive statistics
- Questions/comments:

Kansas leads the world in the success of each student.

- A recording of a Hot Topic video on this report has been made and will be sent out to the KSDE Listservs

Cyberbullying Protocol and Feedback Collection

Shanna Bigler and John Calvert, Cyberbullying Response Protocol Guidance Document handout

- The Cyberbullying Response Protocol Guidance Document was created from requests by Districts on possible ways to respond to cyberbullying.
 - This is the first draft presented to the School Mental Health Advisory Council (SMHAC)
 - Feedback is needed from SMHAC
 - Documentation of trends is very important as a preventative measure
 - Feedback:
 - These cases are more complicated than what the protocol may imply. How long would it take from an incident being reported to action steps being taken?
 - Levels of aggression should be defined and the label of perpetrator be removed and can you use “student who bullied, aggressor, child who bullied, youth who bullied, alleged child who bullied”
- **ACTION:**
 - It was agreed by the SMHAC to continue to move forward and solicit more feedback on this document
 - Shanna will be sending out to listservs of counselors, administrators, principals, small, medium, large districts.
 - Shanna will edit and solicit more feedback from the field with consistent questions and 1 open ended question

Human Trafficking

Shanna Bigler, PowerPoint

- The Attorney General’s office received a letter from the Federal Attorney General regarding how the state handles human trafficking
- Discussion on mandatory reporting and what are the red flags, indicators, cues to look for, how teachers can identify issues, recruitment tactics
- How social media plays a part in sex trafficking
- Resources given for identifying/reporting of human trafficking
- **ACTION:**
 - Possibly have Jennifer Montgomery from Attorney General’s office to present about what we need our schools to know and how they can help with this issue

Mobile Crisis Hotline

Shanna Bigler, handout

- DCF has started the Family Mobile Crisis Helpline, 833-441-2240
- For Kansans in Foster care or former foster care, ages 20 years old or younger
