## DRUG & ALCOHOL CLEARINGHOUSE

### REGISTRATION: CDL DRIVERS

You must complete the registration process before you can respond to employer consent requests or access your driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. The instructions below are for a driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP).

If you are employed with a Kansas School District prior to January 6, 2020, you are not required to register unless you change jobs OR have an issue arise during a limited query performed by your employer and need to provide digital consent for a full query

#### Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

1

Visit <https://clearinghouse.fmcsa.dot.gov/register> and click **Go to login.gov**.

The screenshot shows the top of the FMCSA website with the 'DRUG & ALCOHOL CLEARINGHOUSE' header. Below the header, there are navigation links for 'Register' and 'Login'. The main content area features a registration prompt: 'Register for the Clearinghouse now and be ready for implementation'. Below this, there is a 'Need a login.gov account?' section with a 'Go to login.gov' button highlighted in a red box. To the right, there is a 'GOVERNMENT PERSONNEL' section with text about enforcement personnel and State Driver Licensing Agencies. At the bottom, there is a 'Why register now?' section with three columns: 'DRIVERS', 'EMPLOYERS', and 'SAPS & MROS', each with an icon and a brief description of the registration process for that group.

2

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your email address and password on this screen, click **Sign In** and go to **step 10**.

The FMCSA Drug & Alcohol Clearinghouse is using login.gov to allow you to sign in to your account safely and securely.

**Are you FMCSA or State Driver Licensing Agency personnel?**

**Create a password.** This password must be at least 12 characters long. If the password you enter is not strong enough, you will not be able to continue. Enter a strong password and click **Continue**.

The screenshot shows the 'STEP 2 OF 4' screen titled 'Create a strong password'. A green confirmation message at the top states 'You have confirmed your email address'. Below this, a text box explains that the password must be at least 12 characters long and not commonly used. A password input field contains 12 dots, with a 'Show password' checkbox to its right. Below the input field, a progress bar shows the password strength as 'Great!'. A blue 'Continue' button is positioned at the bottom of the main content area. At the very bottom of the page, there is a link for 'Password safety tips' and a link to 'Cancel account creation'.

6

Select an option to secure your account and click **Continue**.

Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. Follow the instructions for the method you select.

The screenshot shows the 'STEP 3 OF 4' screen titled 'First authentication method setup (1 of 2)'. It instructs the user to add a second layer of security. A note states that only one authentication method can be used. Below this, the user is asked to 'Select an option to secure your account:'. Five radio button options are listed: 'Phone' (selected), 'Authentication application', 'Security key', 'Government employees', and 'I don't have any of the above'. Each option includes a brief description of the method. A blue 'Continue' button is at the bottom of the main content area. At the very bottom of the page, there is a link to 'Cancel account creation'.

7

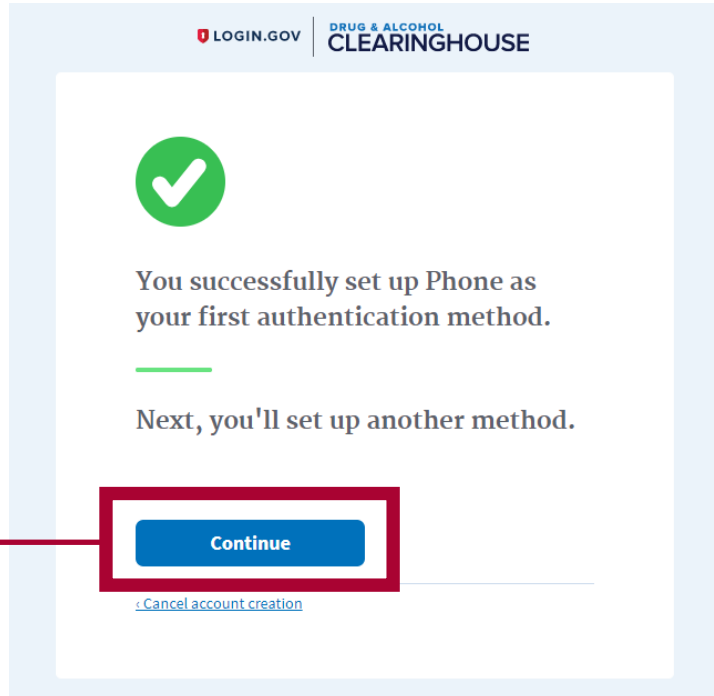

Enter your security code and click **Submit**. This code will be provided via the method you selected. The screenshot below illustrates the SMS phone method.

The screenshot shows the 'STEP 3 OF 4' registration process. At the top, the 'LOGIN.GOV' and 'DRUG & ALCOHOL CLEARINGHOUSE' logos are displayed. The main heading is 'Enter your security code'. Below this, a message states: 'We sent a security code to +1 123-456-7890 This code will expire in 10 minutes.' A red box highlights the 'One-time security code' input field and the 'Submit' button. Below the input field is a 'Get another code' button with a refresh icon. To the right of this button is a checkbox labeled 'Remember this browser'. At the bottom, there are two links: 'Entered the wrong phone number? [Use another phone number](#)' and '< [Choose another option](#)'.

8

Once you have completed setting up your first authentication method, you will be prompted to set up a second authentication method. You'll only use one authentication method to sign in, but you will need to set up two methods in case you lose access to one. **Repeat steps 6 and 7 to set up your second method.**

9

You have created your login.gov account. Click **Continue** to return to the Clearinghouse website and complete your Clearinghouse registration.

### Register for the Clearinghouse

Once you have a login.gov account, you can complete your registration in the Clearinghouse. Follow the steps below.

10

Select your role (**driver**), and click **Next**.

If you are a self-employed CDL driver, do not register as a driver. You will need to register as an employer and, when prompted, identify yourself as an owner-operator (that is, an employer who employs himself or herself as a CDL driver, typically a single-driver operation). [View the registration instructions for employers](#)

If you are unsure if you are covered by the Clearinghouse rule, see the box labeled “Are you covered by DOT Drug and Alcohol Testing Regulations?” and click **Find out**.
