

Kansas State Department of Education Activity/School Bus Medical Waiver Process

Kansas Administrative Regulations include provisions for Kansas school districts to grant a waiver to a Kansas School Bus driver or Kansas School Passenger Vehicle driver who fails to meet the legal physical requirements of a DOT physical. The process requires:

- Completion of the mandated physical form along with the physical certificate indicating it must be accompanied by a waiver. (SBSU MER & SBSU MEC or MCSA 5875 & MCSA 5876)
- Two separate letters from a doctor of medicine, doctor of osteopathy, doctor of chiropractic, physician assistant, or nurse practitioner stating their opinions regarding the person's ability to safely operate a school bus.
- Unanimous approval of the governing school board with written documentation.
- Driver needs to declare category 4 on their medical self-certification category.
- Driver needs to carry a copy of the waiver on their person

A School Board can only approve the waiver for a maximum of two years at which time the process will need to be repeated. The waiver is only valid in the State of Kansas and only while operating vehicles owned, leased or contracted by the school board who approved the waiver.

Dear School Board,

I have the following medical condition which prohibits me from passing a DOT physical as required under Kansas Law, KAR 91-38-6.

Brief Description of Medical Condition:

I am applying for and requesting a medical waiver as provided for under Kansas Law, KAR 91-38-6 so that I may operate a district vehicle and transport students. I have supporting documentation from two medical examiners (doctor of medicine, doctor of osteopathy, doctor of chiropractic, physician assistant, or nurse practitioner) who are aware of my condition and agree that even though my condition prohibits me from passing the DOT physical, both medical examiners agreed that I maintain my health in a manner which allow me to safely operate a district vehicle and perform all duties associated with safely transporting students. I acknowledge that I must be otherwise qualified by having the mandated physical form completed along with the physical certificate indicating it must be accompanied by a waiver. I hereby certify that the information included in this waiver application is true and correct to the best of my knowledge.

Respectfully submitted,
