=====

1. School improvement plan including a results-based staff development plan.
If you answered "No," please explain why.
2. An External Technical Assistance Team.
If you answered "No," please explain why.
3. Locally determined assessments that are aligned with the state standards.
If you answered "No," please explain why.
4. Formal training for teachers regarding state assessments and curriculum standards.
If you answered "No," please explain why.
5. 100% of the core teachers fully certified, 95% of all other teachers fully certified.
Explanation:
Note: This question's answer is pre-populated for you and cannot be changed. The answer that is showing is based on information contained in your Staff Assignment Report (SAR), which was generated from your Licensed Personnel Report (LPR). To view your SAR:
 - a. Log in to Authenticated Applications.
 - b. Open the EDCS application. If it is not on your list, go down to "Manage My Account" and request access to it.
 - c. Once inside the EDCS application, click "Select Year" beside the year that is showing (You will select the SAR year in Step f below).
 - d. In the left menu, click on the little + sign beside "Reports."
 - e. Click on "SAR Report."
 - f. Use the dropdown menu to select the 2013-2014 school year.
 - g. Make sure the building name is correct, and click "Run Report." The system will generate a PDF file for you to open/download and view. For questions about the information on this report, contact a KSDE Licensure Consultant at 785-296-2288, to request clarification on your SAR report.
6. Policies that meet the requirements of KAR 91-31-34 (local board of education requirements).
If you answered "No," please explain why.
7. **(Secondary only)** Local graduation requirements that include the state graduation requirements outlined in KAR 91-31-35.
If you answered "No," please explain why.
8. **(Secondary only)** Curricula that allow each student to meet the Regent's qualified admissions requirements and the state scholarship program.

If you answered "No," please explain why.

9. Elementary and secondary programs and services to support student learning and growth (including: computer literacy, counseling services, fine arts, language arts, library services, mathematics, physical education, health and human sexuality, science, history and government, and services for students with special learning needs).
If you answered "No", please explain why.

10. **(Secondary only)** Secondary programs and services including the following: business; family and consumer science; foreign language; industrial and technical education.
If you answered "No," please explain why.

11. Local policies ensuring compliance with other accreditation regulations and state laws.

12. Have these statements been verified by the Local School Board President?
If you answered "No", please explain why.

13. Have these statements been verified by the Superintendent?
If you answered "No", please explain why.
